August 25, 2004

Federal Election Commission  
Reports Analysis Division  
Attn: Maureen Benitz  
Washington, DC 20463

Identification Number: C00234641

Reference: April Quarterly Report (2/28/04 - 3/31/04)

This letter is in response to your notice dated July 28, 2004 regarding the April Quarterly Report for the Liberty Political Action Committee.

All expenditures classified as "Bulk Mail Postage" and "Bulk Mail Printing" are postage and printing expenditures made for direct mail fundraising solicitations for the Liberty Political Action Committee itself. No expenditure classified as "Bulk Mail Postage" or "Bulk Mail Printing" was paid on behalf of any specific federal candidate or committee.

In reference to your inquiry regarding limited administrative expenses, the PAC is a minimally active PAC with few expenses that exceed the \$200 itemized reportable level. The PAC pays rent for office space that includes the use of phone service, utilities and computer access. Therefore these types of expense are not individually listed, but rather included in rental expense. Minimal personnel is required as our fundraising is processed through a separate printing organization and mail house, therefore salary expense is small. Most work is performed by volunteer activity. All other operating expenses are shown on Line 21b.

An amended report for the above time period accepted as FEC-132637 has been filed correcting the erroneous reporting of contributions to non-federal candidates and committees. These are now correctly shown on a separate Schedule B supporting Line 29 of the Detailed Summary Page.

Sincerely,  
Lori Pyeatt  
Treasurer
